

Dress Code

The dance education students of Dream Dancers are expected to dress modestly in dance clothing that allows for ease of movement and that is suited for the dance class they are attending. Our modesty code includes, but is not limited to: shirts or leotards that cover the dancer's entire torso (no bare bellies), tights under all leotards, no loose fitting shorts (no boxer shorts), jazz/dance pants that come NO LOWER than right underneath the dancer's belly button, and undergarments that are appropriate and not too showy. Failure to follow the dress code may result in a missed class. DDDAA teachers reserve the right to deem something immodest as they see fit. For specific dress expectations please see your class teacher.

Conduct Code

Dream Dancer's director, teachers, students and parents maintain our positive and unique dance environment by following the "7 C's of Conduct". The seven C's are: Commitment, Cooperation, Communication, Courtesy, Courage, Character and Compassion. For more specific information about the "7 C's", please see your class teacher.

What is the Dream Dancers Difference?

From the moment that you walk in our door, our goal is to make your dance experience enjoyable, rewarding and beneficial. With an emphasis on dance as the beautiful art form that it is, we are striving to "raise the standard of dance education in Pueblo." At Dream Dancers you will not find inappropriate dance wear or costumes or the use of questionable music and/or movements. Ms. Laurel believes that, "...little girls should stay little for as long as possible!" You will also be pleasantly surprised by the friendly and helpful staff, parents and students. If you have ever experienced a dance class that is full of cliques or superior acting dancers or mothers, you will most certainly appreciate our openness and welcoming atmosphere to dancers of all abilities, interests & ages. We believe that the opportunity to teach children (and adults) is an honor and would love a chance to meet with you and discuss your dance goals and dreams. After all, this is the place where, "Dance dreams come

Dance Education Division

Dream Dancers...
"Where Excellence & Art Come Together"

What We Teach

DDDAA specializes in the following dance styles to ensure a comprehensive and effective dance education. All teachers also participate in on-going teacher education.

- Classical Ballet and Pointe
- Jazz and Lyrical Jazz
- Tap
- Hip Hop
- Ballroom:
 - Waltz, Foxtrot, Cha Cha, Tango, East Coast Swing, Rumba, Salsa

How We Teach:

Dream Dancer's teaching style is based on the assumption that each dancer's skills will increase more rapidly when they are allowed and encouraged to advance at their own pace. This is done within the framework of a positive and nurturing group classroom environment. Each dancer, regardless of ability, is of paramount importance at Dream Dancers. Dancers are given individual corrections that will stretch their current technical ability appropriately and that the teacher feels they can realistically accomplish. DDDAA's goal is that each student leaves their dance class experience feeling successful, happy and with a renewed love for the art of dance.

Registration Fees

Registration:

- 1st student \$25
- 2nd student \$10
- 3rd student \$5
- 4th and up FREE

Registration fees are due at the time of registration along with the first month's tuition. Registration is an annual fee. Returning students pay a reduced registration fee in June or August.

Dream Dancer's dance education tuition rates are based on a family system.

For example: If Emily takes 1 class/week and her sister Anna takes 2 classes/week, the monthly tuition for that family would be \$108. The family discount applies only to direct siblings and parents. Cousins and other indirect family members do not qualify for the family rates.

Dream Dancers offers multiple payment options:

- Visa/MC
- Automatic Debit Withdrawal Program from your credit card or checking account. (Recommended)
- Full-semester payments.
- Monthly payments with cash, check or credit card due the first lesson of each month.

Tuition Prices

# of Classes/week	*Auto debit	Cash/Check
1 class/week	\$39	\$41
2 classes/week	\$76	\$80
3 classes/week	\$111	\$117
4 classes/week	\$144	\$151
5 classes/week	\$175	\$184
6 classes/week	\$204	\$214
7 classes/week	\$231	\$243

After the students within a family reach the 10 classes/week mark, the family may take unlimited classes in that month.

*In an effort to simplify our billing policies and provide our families with more convenience, we are offering a slightly reduced tuition rate for those families that participate in our Automatic Debit Withdrawal Program with either a Visa or MC.

Dream Dancer's tuition is a semester fee that can either be paid in full the first month of each new semester or it can be broken into monthly payments for your convenience (as seen above). Monthly tuition payments for our Cash/Check Program families are due the first lesson of each month with a late fee of \$10.00/student which will be applied to the account if tuition is not received by the 16th of the month. Automatic Debit Program families can choose from a monthly withdrawal on either the 1st or 15th of each month. Monthly tuition is always the same amount regardless of vacations, missed classes, or long/short months. There are no refunds on tuition, however students are encouraged to attend a makeup class (see teacher) if unable to attend a class that has been previously paid for.

“Our experience with Dream Dancers has surpassed my expectations. Because of Ms. Laurel’s personal attention and interest, my girls have shown measurable progress and a love of dance that is built on a solid foundation of technique.”
